

I am grateful for  
the whisper of  
graphite on quality  
paper.

i am grateful  
for the way we  
naturally heal  
when given the  
chance

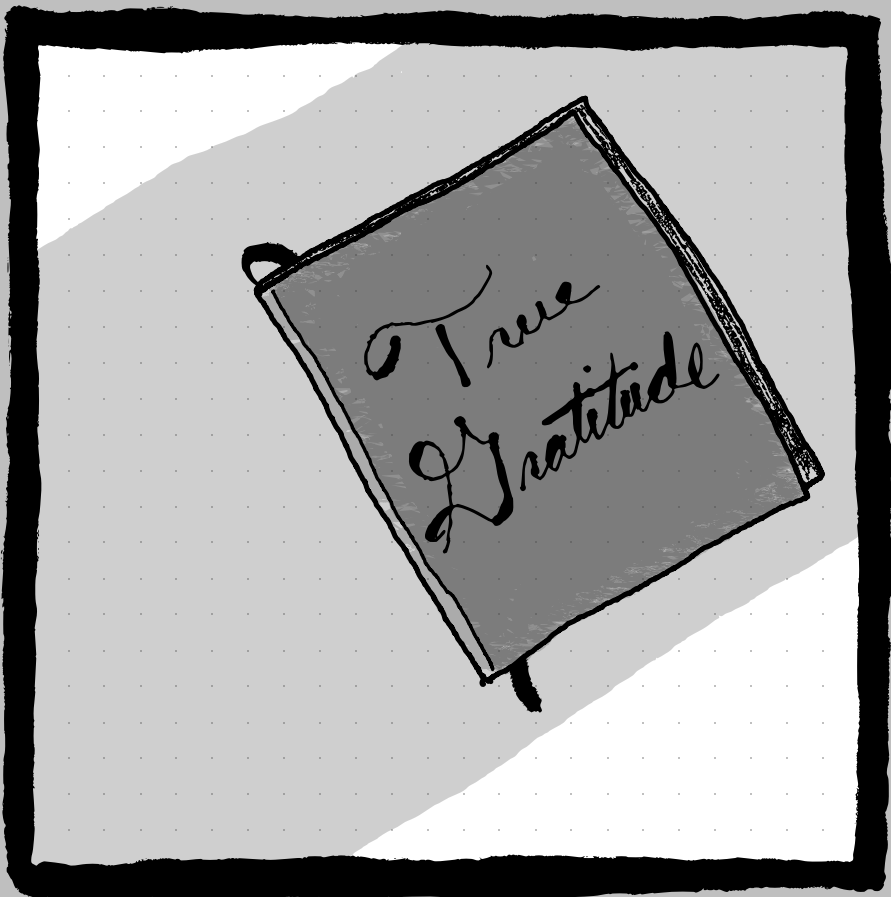

i am grateful  
for my wonderful  
funny, weird  
and quirky mind.

LOL!♡

~ i am so unique ~

I am grateful  
for my underwear  
soaking up the  
TUSHY water run  
off when clim low  
on T.P.
